### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- (I) In claim 18, line 10, after "manner", the word "than" has been changed to --that--.
- (II) In claim 20, line 24, after "side", the word "end" has been deleted.

2. The following is an examiner's statement of reasons for allowance:

The claimed lane keep control apparatus and method in which the vehicle behavior controlling device is employed to control the behavior of the vehicle on the basis of the detected lane marker at one side of the traffic lane when the lane marker detection section transfers a detection state from a state in which both of the lane markers at both sides of the traffic lane are detected to a state in which the lane marker only at one side of the traffic lane is detected, in combination with the other claimed features have neither been taught nor made obvious by the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
